Hello George -

Just wanted to drop you a line to thank you for your wonderful performance at our wedding. Im sorry I didnt get a chance to chat with you - but you know better than anyone how crazy weddings can be! We had a great time - loved the music (especially our song - it was perfect!) - and our guests were so very complimentary of you and your band...

Thanks again so very much - it was an honor to have you part of our celebration. Take Care. Brigid.
