Subject: Open Pantry Event

Dear George,

I just wanted to write a quick note to tell you that you and your band did a wonderful job last Saturday! I kept getting compliments on the band choice and many people were asking me who you guys were, how I found you, and generally just loved the music...thank you!

The banquet went really well this year, we really enjoyed the Wyndham. I was happy that more people stayed later, and that you were able to start very close to our 9:30 start time.

Again, thanks to you and your wonderful band...I will be in contact next year!

Jenny
