

MILWAUKEE COUNTRY CLUB:
GEORGE SAITES RETIREMENT
JANUARY 27, 2006

Dear George,

Betty & I would like to thank you & your trio for playing on January 27th for my retirement party. I never imagined a huge throng of people that showed up that evening but it certainly made me feel good that they

appreciated me for almost 54 years.

Thank you for being a good friend over the many years we have known each other, and also for the great music and entertainment you provided MCC and its members.

Please give my best to Kathy and George. Thanks again for everything, you see the check. Sincerely, Harold Berger & Betty
