Subject: Thank you!!!

Hi George!

I can't tell you how great it was to have you three there last night! You guys are amazing and I have to say that you played some of my favorite songs ever!

We would love to have you at our office holiday party. We always go to Brynwood Country Club and this year it is scheduled for Friday, December 8th. Can you tell me if you have that evening open? Let me know and thanks for everything!
